SUBJECT: Westinghouse Contractor Maintenance
Proposal for FY-1961 for FOG

TO: Contracting Officer

Reference is made to your letter, DPD-5292-60 dated 29 June 1960, which forwarded Westinghouse's proposal for FOG maintenance services during FY-1961 for our review.

Westinghouse's maintenance services will be utilized during this fiscal year in substantially the same manner as during FY-1960. Overseas assignment is not anticipated. We note that the contractor's proposal is based on this assumption.

Approval is granted to obligate \$91,093 in lieu of the \$50,000 previously authorized since the nature of this contract requires the total funds be allotted at time of negotiation.
